At Red River Ski Area, great skiing and snowboarding are literally right outside your door!
RED RIVER SKI AREA

Supports responsible use of natural areas for recreation by recycling, using recycled materials, practicing waste reduction and reusing and reusing trails. Red River Ski Area provides activities for people and serves as a critical link to the healing area and trails for the holistic purpose. Think globally, act locally.

Skiing at Red River Ski Area is made possible through a unique public-private partnership with the United States Forest Service which manages those portions of the federal lands utilized for skiing.

Thank you for skiing the Red River Ski Area. We hope you enjoy your skiing vacation and look forward to your return.

We welcome your comments, suggestions or concerns.
